

Nurturing Children by Engaging Fathers

Hey Dads!!! You are an important person in your child's life. Kids with healthy, responsible, and involved fathers have better outcomes.

Please join us for a FREE fatherhood event where you and your child can play games, make crafts, and enjoy lunch. Each father will receive an activity kit to continue the fun at home.

Reserve your **FREE** activity kit here:

<https://go.osu.edu/dadkit2023>

*Kits not picked up will be distributed to walk-up participants

Your Activity Kit Will Include:

Games Books Recipes Crafts Relationship Building Activities
Community Resources

Children with engaged fathers are less likely to:

- Live in poverty
- Have behavioral problems
- Experience abuse or neglect
- Experience substance use disorder
- Have contact with criminal justice system
